## Persona of The Month - Master Efenwealt

At the beginning of July, I picked up the Quill for the first time and realized that I had not just picked up a newsletter. I was given a chance to share stories, news, findings, all of it with the populace and the Knowne World. Upon this realization, I asked myself a question: Why limit myself to just press and words? And with this, came a wonderful epiphany and a way to adapt modern technology once again to something that we do and love.

With that being said, how do you feel about Efenwealt's words? Anything you want to ask or do you have any comments? Please comment below or you can email me directly at [tristangwalchmai -at- gmail.com](mailto:tristangwalchmai-at-gmail.com)

# From The Pen Of Your Baronial Seneschal

Greetings to the Barony and all of her friends.

As I write this, my departure for Pennsic is imminent. But...so is Collegium. There is an exceptional collection of classes on the schedule, and I hope to see many of you there. But the end of Pennsic does not mean the end of the summer fun. We have the annual favorite, War Orphan's Pity Party, also known as WOPP, to look forward to on August 15 hosted by the Canton of Saint Georges. This year's theme is "Lord of the Rings: Fellowship of the Ring." Even though I won't be there (still recovering from Pennsic), this always is a fun time for the participants. [\[Link Opens In New Window\]](#). Once WOPP is behind us, the next in-barony event is Southern War Practice, hosted by the Canton of Ritterwald. [\[Link Opens In New Window\]](#)

And what War are we practicing for? War of the Wings, of course! This year, Nottinghamill Coill is one of the principals in the fight; Hidden Mountain and us against Black Diamond and Highland Foorde. Historically we've done very well in showing our prowess in so many areas, martial as well as service and A&S. Let's not make this year any different.

If an issue arises between now and Monday August 10, my return from Pennsic, which honestly can't wait, either call me via cell phone (8033977767) or talk to Their Excellencies, both of whom will be defending our lands here at home.

Until then, stay comfortable and Stay Hydrated!

Morwenna  
Baronial Seneschal
