Greetings and salutations, dear populace! Nottingham Coill Baronial Birthday is nigh upon us and We are busy making preparations. It has been a great pleasure to represent this fine Barony and its talented people, but it is time to announce that We will be stepping down at Baronial Birthday next year.

There will be a Baronial meeting at NCB, so please plan to attend. Meanwhile, we have some Champions to choose! As of writing this missive, we have the following challengers:

- Archery: Baron Sven Olafssen and Lord Mads Arthurson
- Rapier: Master Simon Aaron of Windemere and Lord Mads Arthurson

We don't have any contenders for Thrown Weapons yet. We will be happy to accept declarations of intent during the day, so long as they occur before the competition in question begins. We have already chosen some of our new Champions, and they are as follows:

- Aedan MacLeod for Armored,
- Guila Stanizi for A&S
- and Master Hagar the Black for Bardic.

From the Quill of Their Excellencies

We have requested field space for the Baronial day shade at the Tournament of Ymir the weekend after Birthday, so feel free to join us there. The weekend after that is the Accessories Workshop, where Delia will be teaching classes on parasol painting and making glass cabochon award medallions, while Elphin goes to Raven's Cove Baronial Birthday.

Well do We know that the aftermath of the Holidays can be emotionally draining. If you are feeling unaccountably down please reach out; if not to friends or family then call 988, this support line is there to help those in need.

This will be our last Baronial Birthday before We step down, which means that there will be a Baronial polling looming in the near future. Now is the time to start considering if this is a job you would like to take on. We will be happy to answer any questions anyone has. Being Baronage has many privileges and challenges that are unique to the position. Many of these would surprise even the most experienced SCAdian that's never done the job. Sometimes there are things that surprise even people who have done the job before!

Looking forward to seeing you all soon!

From the Quill of Their Excellencies

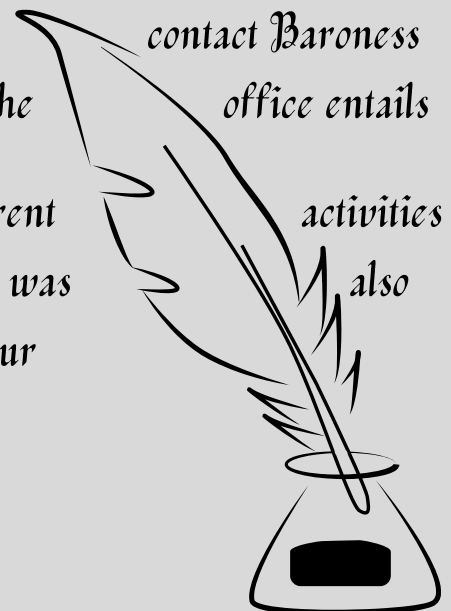

Greetings to All,

As I write this Nottingham Hill Coill, Baronial Birthday is a couple of weeks away and I am looking forward to seeing many of the Barony there, and seeing who the new champions will be. The Quarterly Baronial Workshop will be on February 25th and focusing on accessories so come on up and learn something new.

Our Chatelaine has asked to step down, and thus we are looking for someone that is willing to step into the office and take her place. At this time, she is scheduled to step down around the middle of March so please let Their Excellencies Elphin and Delia and myself know if you would like to take up the office. Also if you have questions please feel free to contact Baroness Machteld Cleine to get further information on what the office entails

Kingdom Twelfth Night was great with many different activities going on and the A&S displays were great to see. It was also good to see some of those from the northern part of our Kingdom that I do not get to see very often.

Hopefully many of you attended some of the online classes that were offered as part of Winter University. I know I had a packed schedule of classes to take.

I hope all of you are having a good start to the new year. Please stay safe, healthy, and warm this time of year.

I hope all of you are having a good start to the new year. Please stay safe, healthy, and warm this time of year.

Chronicler's Note:

I have had the opportunity to work with Likerion for several months now, and wish to share words of praise with the Barony. Being a Seneschal can be a hard and thankless position. You many times have to deal with difficult and uncomfortable situations. You are the hard working person behind the curtain that keeps things running smoothly in the wee hours of the morning. I wish to, personally, thank Likerion for his selfless service to the Barony. I encourage the populace to seek him out at Baronial Birthday and do the same.

Gwennie

Diary of a Crazy Chronicler

Don't worry your Crazy Chronicler hasn't been eaten by a bear. She's just gone into winter hibernation from the cold. Normal Chronicler articles will resume in March.
